

The new and improved Space recliner now features an even better comfort, with a slimmer arm and back profile, and a height adjustable footstool (9 cm from min to max). With the Space recliner program the back angle is adjustable with an unique gas-lift system to adapt to all comfort requirements. With all the built-in functions in this recliner, you will experience an entirely different level of absolute comfort.

BENEFITS

"JUST RIGHT" HEADREST

Exclusive adjustment system that allows your head and neck to rest in an infinite number of comfort positions.

UNIQUE RECLINING-SYSTEM

The gas-lift based reclining system allows you to effortlessly recline and change back angle as your heart desires. You can also easily lock the preferred back angle position.

ERGO-TILT

With Ergo-Tilt you get a subtle and soft rocking motion that will enhance your comfort in any position. In addition it will enable the reclining angle to go even further back.

360° SWIVEL

With a very smooth 360 degree swivel mechanism you can easily rotate the chair in either direction while seated. Our swivel mechanism offers effortless movement and unsurpassed stability.

FREESTANDING FOOTSTOOL

Our footstool is ergonomically designed to provide the best support and becomes an essential part in providing unsurpassed comfort. It is angled for enhanced leg support and better blood circulation.

COLD-CURE FOAM CUSHIONING

This space-age material encases the interior steel frame and sinuous springs, allowing for body-friendly curvatures to be covered with glove-fitted leather or upholstery.

THE CHOICE IS YOURS

Chair and ottoman are available with different bases. You also have a choice of leather and micro-fiber upholstery. See your IMG dealer for the many custom options.

WARRANTY

10 years on molded foam cushions and steel frames
 5 years on mechanisms
 2 years on motor and battery-parts
 2 years on leather and fabric covers

DESIGNED IN NORWAY
